Join us celebrating 100 years of service by supporting us

You've always been generous in your support of the Orange Volunteer Fire Department. As we celebrate 100 years of service to you and your neighbors, we're inviting you to be part of our celebration. You can select sponsorships that will be seen in all of the events and publications we're doing to celebrate or take an ad in our program book. Any contribution will help us with our celebration.

A very special sponsorship

With 100 years of service, we have a lot of good stories to tell. We're doing it in a book that will be available by our anniversary celebration. We're looking for up to two special sponsors to help us cover the \$3,000 to publish the book. You'll get an acknowledgement in the book as well as a half-page ad in our ad books.
